

## Supported Distance Learning Programmes

All SDL programmes feature:

- Student Registration with the Chartered Management Institute
- Access to membership resources via [www.managers.org.uk](http://www.managers.org.uk)
- An Induction workshop
- Psychometric assessment and profiling report
- 360 degree assessment and feedback report
- E-learning self study module
- Workbook and/or study materials
- Assessment planning workshop
- Dedicated Personal Tutor support by phone/email

SDL Programmes have flexible start dates- begin when you want and would normally take between 10- 26 weeks to complete. You can study at a place to suit you, we will come to your workplace if you wish and providing you complete the qualification within 12 months you can study at a pace to suit your needs

Open entry programmes are available for First line manager (IL3) and Middle Manager programmes (IL4) - there are set dates for Induction and Assessment Planning days. On these Programmes you will participate with groups of candidates from different organisations, this is great for networking and forming of learning support groups.
