

In Company Programmes

All In Company Programmes feature:

- Student Registration with the Chartered Management Institute
- Access to membership resources via www.managers.org.uk
- An Induction workshop
- Psychometric assessment and profiling report
- A series of Subject focused workshops (3 for IL2 & IL3, 4 for IL4 and IL7)
- 360 degree assessment and feedback report
- E-learning self study module (**Optional at extra cost**)
- Workbook and/or study materials
- Assessment planning workshop
- Dedicated Personal Tutor support by phone/email

In Company programmes are ideal for groups of 3-12 candidates.

Additional workshops can be integrated into the programmes (at extra cost) or organisational focused workshops and sessions can be delivered as part of the programme. Please contact us to discuss your requirements.

Programme durations are flexible and can be completed within 5 days if required although typical programmes would take 10-26 weeks. Qualifications must be obtained within 12 months.

Supported Distance Learning versions of the Programme (2 workshops only + E-learning self study module) are available; please contact us for further details.
